FEMA Looking to Recruit

If you are one of the over 300 U.S. Colleges and Universities offering degrees and advanced studies in Emergency Management, the Federal Emergency Management Agency, stands ready to support you in preparing your students in their Emergency Management careers following graduation.

FEMA is growing and strengthening its workforce, and would welcome the opportunity to meet with your Emergency Management graduates in helping them transform their university experience into real life Disaster Emergency Management experience.

Value to Your Program and Students

Support

Post Graduation Support to Student in Emergency Careers Management

Integration

Improved Integration with FEMA Leaders and Programs

Networking

Networking with the FEMA Community
